

APPROVAL EXPLORER : BV型式承認品/証書の検索システム - 使い方 -

1 “VERISTAR INFO” にアクセス <http://www.veristar.com/>

2 GENERAL INFO → Approval Explorer をクリック

The screenshot displays the Veristar website interface. At the top, there is a navigation bar with the text "VERISTAR INFO" and a login section containing "login" and "password" input fields, an "OK" button, and links for "Forgot My Password? Become a member". Below this is a large banner image with the text "Prepare your ship for Port State Control inspections" and the Bureau Veritas logo (BUREAU VERITAS 1828). A main navigation menu includes "GENERAL INFO", "NEWS", "SERVICES", "SOFTWARE", "TRAINING", "APPS", "LOCATIONS", and "DOWNLOADS". The "GENERAL INFO" menu is expanded, showing several categories: "Registers" (Sea-going ships, ISM Certified Ships, ISPS Certified Ships, MLC Certified Ships, Inland Navigation, Not Classed Ships, ISM Certified Companies), "Classed Fleet" (Statistics, Ships newly classed, Class suspension, Class withdrawn), "BV Recognitions" (Flag authorities, E-certificates acceptance), "Approval Explorer", "Rules & Regulations" (BV Rules, Statutory Regulations, Common Structural Rules, IGC Code), and "Publications" (Bulletin Technique, Marine & Offshore Business Review). A blue arrow points from the "GENERAL INFO" menu item to the "Approval Explorer" link. On the right side, there are additional sections for "BERS" and "ion".

APPROVAL EXPLORER

Find certified manufacturers and service providers to ensure your ship remains compliant.

SHARE ON

Approval Explorer: the new application identifying Bureau Veritas Marine & Offshore approved service providers and manufacturers.

As an actor on marine and offshore markets, you need to be able to identify certified manufacturers and service suppliers. Bureau Veritas' new application, Approval Explorer, helps ensure you find easily the right supplier to deliver services relating to ship operation, or following a class survey.
